REQUEST TO CORRECT FILING RECEIPT

Dear Sir or Madam:

We have noted that the filing receipt issued for the above-referenced patent application contains errors in the Applicant information and also contains incorrect priority data. A copy of this filing receipt is attached, on which the requested changes are indicated in red.

According to the attached Filing Receipt, the residence of the applications was not provided. However, this information was present on the transmittal letter that accompanied the filing of this application (a copy of this letter is attached). Please issue a corrected Filing Receipt that includes this residence information.

The Filing Receipt attributes USSN 60/064,671 with being a CIP of 08/813,509 and attributes 08/813,509 with being a CIP of 08/772,330. However, these statements do not conform with the information that was provided with the application as filed.

The first paragraph of the subject application actually states that "[t]his application" is a CIP of each of the next three applications, i.e., it is a CIP of USSN 60/064,671, *and* it is a CIP of USSN 08/813,509 *and* it is a CIP of 60/059,978. In fact, USSN 08/813,509 also is a provisional application. It was filed initially as a regular application, and later was converted to a provisional and assigned the serial number

60/077,181. Since these three applications are provisionals, the Filing Receipt should be corrected to read as follows:

THIS APPLICATION IS A DIV OF 08/995,659 12/22/1997
WHICH CLAIMS BENEFIT OF 60/064,671 10/14/1997
AND CLAIMS BENEFIT OF 60/077,181 03/07/1997, ABN
AND CLAIMS BENEFIT OF 60/059,978 12/23/1996, ABN

Thank you for your assistance in this matter.

Respectfully submitted,
